Description of the above fees:

Annual Agency Location/Quarterly Transaction Fees

ARC follows a 90/10 fee structure split to recover cost directly related to core settlement. The agent annual location fee and quarterly transaction fees recover 10% of ARC’s Core Settlement costs, with the remaining 90% of total costs funded by ARC’s participating carriers.

The 2024 annual location/quarterly transaction fees are as follows:

Annual Agency Location Fee

This fee is assessed to every ARC accredited location and will be drafted on January 18, 2024

Quarterly Transaction Fees

Agency transactions are assessed a fee on a quarterly basis. Agencies with less than 1,000 transactions per quarter will not be assessed transaction fees.

Projected Transaction Fee Collection Schedule:

Q4 (2023): January 18, 2024

Q1: April 18, 2024

Q2: July 18, 2024

Q3: October 17, 2024

Q4: January 16, 2025

Returned Draft Fee

ARC assesses a returned draft fee when an agency’s bank draft does not clear for the weekly settlement.

Ticket Resolution Fee

ARC’s ticket resolution function identifies ARA violations such as unreported sales and credit card chargebacks and resolves the transaction between the carrier and the travel agent.

Late Reporting Fee

The Late Reporting Fee is assessed to agents that do not submit their ARC report in a timely manner.
