Here's What Your Airline Needs to Consider to Get Started

*IATA NDC Certification is not required to do business with ARC

1. Distribution Channel

Confirm your distribution channel selection(s)

- Aggregator
- Direct API connection
- Global distribution system (GDS)

2. Agency Partner(s)

- Identify your agency partner(s)

3. Data Transmission Capabilities

- Confirm your sales file transmission mechanism (RET or SPRF)
- Identify your company's technology deployment partner (optional)

Ready to take the next step, or still have questions?

Contact Shelly Younger, Sr. Manager, Industry Relationships at ...
syounger@arccorp.com or **+1 703.816.8577**.

ARC will initiate the onboarding process including:

- Kick-off session with airline, agency and technology partner
- Establish timeline for testing sales, agency back office and airline revenue accounting files
- Confirm timeline for implementation
